

WILD DISPATCHES FROM THE FIELD

**Illinois Circularity Conference
October 2025**

WHAT HAPPENS IN THE FIELD DOESN'T ALWAYS STAY IN THE FIELD!

A round table discussion about strange observations, people, and circumstances from the solid waste enforcement realm.

WHAT HAPPENS IN THE FIELD DOESN'T ALWAYS STAY IN THE FIELD!

What is your wild story, case, or situation?

What happened, and how did you deal with it?

What can we learn from your experiences?

Before

WHAT HAPPENS IN THE FIELD DOESN'T ALWAYS STAY IN THE FIELD!

After:

WHAT HAPPENS IN THE FIELD DOESN'T ALWAYS STAY IN THE FIELD!

Your turn now, what do you have for us? Interesting characters, unreal dump sites, and other stuff which is a bit beyond the realm of normalities???

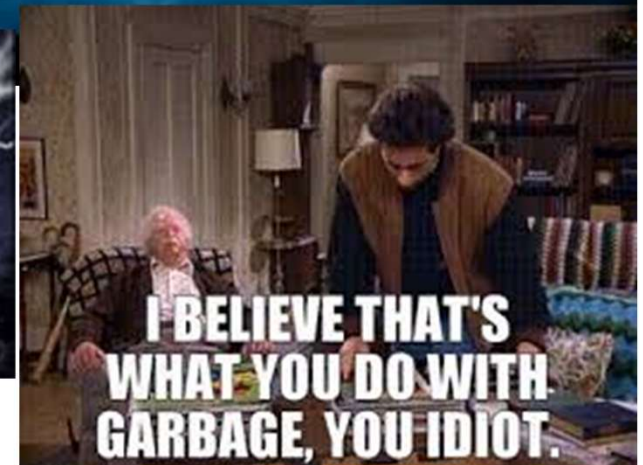

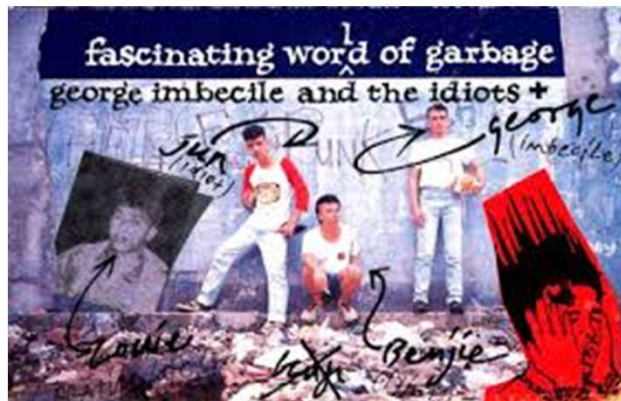

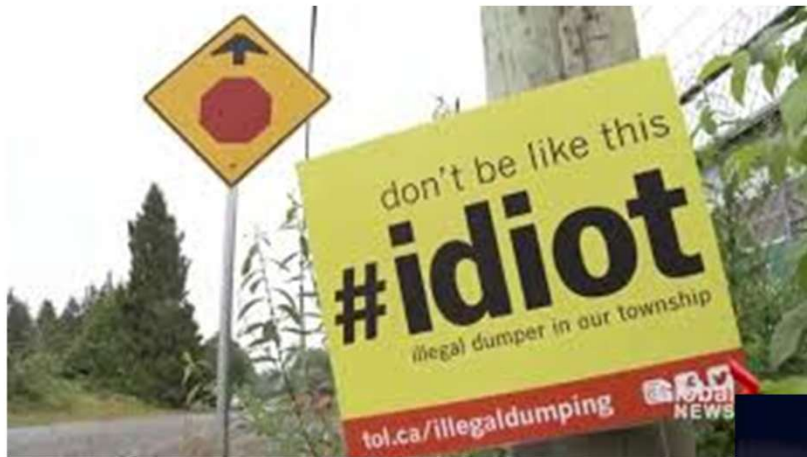

WHAT HAPPENS IN THE FIELD DOESN'T ALWAYS STAY IN THE FIELD!

- 1) How did your office become aware of the problem site???
- 2) How did your initial inspection go???
- 3) How did you deal with the owner/operator???
- 4) What were the major violations you were focused on???
- 5) What did you do???
- 6) Was the case closed??? What do you do if the site stagnates in violation???
- 7) What have we missed??? Anything else???
