HEALTH SYSTEM

In the name of the Father, and of the Son, and of the Holy Spirit

God of Compassion, be with us today.

Open our minds and hearts to your will.

Provide us wisdom to understand the needs of Your people;  
motivate us to take the appropriate actions; and give us the  
courage to face the challenges that taking action will create.

Help us to love and embrace those who are poor and vulnerable;  
challenge us to live simply and be better stewards of Your  
creation.

Empower us to be bearers of peace and justice in our world.

We pray, in Jesus' name,

Amen
